John's U-Pull U-Save, is a self-serve used auto salvage yard and a recycler of vehicles. We purchase used and salvage vehicles from tow companies, private parties, auto auctions, charities and insurance companies. We offer our customers a large selection of recycled auto and light truck parts at incredible prices and we are constantly refreshing our inventory with new arrivals to provide our customers with the widest selection of vehicles and parts. As vehicles arrive, we inspect them, remove and recycle vehicle fluids and hazardous materials and then place the vehicles on the sales floor where customers can access them. When you visit John's U-Pull U-Save, you're sure to feel right at home and part of the family.

Why buy auto parts from John's U-Pull U-Save? It's simple:

- Using our quality recycled parts saves money, energy, resources and landfill space. Our large inventory includes lots of hard-to-find parts. Our parts are generally considerably less expensive than traditional parts sources. Our shopping experience and excellent customer service can't be beat. New vehicles arrive daily to ensure a fresh, wide selection of parts. Worry-free purchasing thanks to our 30 day warranty. If a part doesn't work or doesn't fit in your vehicle, you are welcome to come back and pull another similar part or return the part for in store credit.
- We accept all major credit and debit cards and cash. (Sorry, no checks.)

Open 7 days a week for your purchasing convenience.

As one of our company's guiding principles, integrity means:

Doing the right thing for the right reasons.
Honoring and fulfilling our commitments and agreements as responsible citizens and employees.
Doing the right thing even when it may be more convenient or advantageous to take another approach.
Being honest, straightforward and transparent in our communications at all times – what you see is what you get.
Doing what we say we are going to do.
Only working with honest companies who are equally dedicated to doing business in an ethical manner.
When mistakes are made, acknowledging them, learning from them and not repeating them.
Never compromising our values
